

Three Counties Wedding Cars

www.vintage-wedding-cars.co.uk

Wedding Car Hire, Terms And Conditions.

Our wedding cars are supplied with driver, flowers where this is possible (some of our cars do not have anywhere to put them), ribbons and bows. We offer a choice of our standard ribbon and bow colours to compliment your colour scheme. If you would like a different colour scheme please ask at least a month before your wedding, we will always do our best to get the colour(s) you want.

Most of our cars are at least 65 years old and whilst they are maintained to the highest possible standard as with all things mechanical there is a chance that breakdowns can occur. We carry as many spares as we can find for our cars but many of the parts have to be specially made. We may therefore not have, or be able to obtain replacement parts quickly in the event of a breakdown. If your chosen car is broken down at the date of your wedding we will either offer you a replacement car of our own if one is available *or attempt* to get a similar car for you from another source (at our option). If we source another car for you the agreed fee will be payable to us and we will pay for the replacement car. If we are unable to do either of these we will offer you a modern car to complete your wedding journey *and a full* refund of all monies paid.

We hope to be part of what makes your special day one of the most memorable of your life and to help us achieve this we will drive the planned route a short time before your journey in a modern car. We may under certain circumstances need to modify the route for safety or other operational reasons. We will discuss these changes with you as soon as we are aware of them. We will cheerfully try to make any reasonable changes to your booking such as detours to photographic locations etc. on the day but please be aware that any changes on the day are at the absolute discretion of the chauffeur. We would ask therefore that you plan your journey options carefully (perhaps plan for a wet weather photographic location just in case) and let us know of all the locations you would like to visit on your journey at least a month prior to your big day.

Our vintage and classic cars do not have, and are not suitable for the fitting of seatbelts and there are no child-proof door locks. For these reasons we will not carry children under the age of twelve. Our limousines have seatbelts fitted to the main seats (4 off) but not the occasional seats

We are happy to have any non damaging confetti and decorations etc. used in and outside the car but shaving foam and other such substances must not be used as they can damage the paint and trim materials of vehicles. If you or your guests are in any doubt about whether you can use something, please ask before using it as any damage caused will be charged to you.

Smoking is not allowed in our cars.

We may take photographs of our cars for our portfolio at your wedding which may include members of your party, in particular the bride and groom. If we do this we will provide you with digital copies of those photographs which feature members of your party. If you object to us publishing the photographs please let us know on your booking form. If we publish the photographs, you or anyone featured in the photographs will not be entitled to any fee, likewise you will be entitled to use the copies we have given you for any purpose you wish free of charge provided that if you publish them you acknowledge us as the source.

A £100 deposit is payable on booking, this is refundable for cancellations up to two calendar months prior to your wedding date. A 50% refund will be made for cancellations between two and one calendar months before the booked date. The balance of fees is payable one calendar month prior to the wedding date.

Our contact details

Three Counties Wedding Cars is owned and operated by Thomas Larkin. 16 Rose Avenue, Rushden, Northamptonshire, NN10 9NX. Tel 01933 312916 Email tom@vintage-wedding-cars.co.uk.
